21+ on Saturday

Jonathan "Kellie" Normand

Dear Mr. Chairman, we accept the fact that we had to spend a whole weekend indoors. But we think you're crazy to make us write an essay telling you who we think we are. You see us as you want to see us - in the simplest terms, in the most convenient definitions. But what we found out is that each one of us is a furry
and a geek... a friend...
a hero... a villain...
and an artist....

Does that answer your question?

Sincerely yours, the Breakfast Club Party

SAME PLACE, NEW SPACE

Furry Migration veterans will already be acquainted with the Hyatt Regency, but this year the con has moved downstairs to the second floor! In addition to providing much more room for events, this new space is lighter, brighter, and closer to the lobby and restaurant, parking ramp, and skyway!

Be sure to step outside and check out the Loring Greenway! Head east to Nicollet Mall for a variety of great food options, or westward to check out Loring Park, Walker Art Center, and the Minneapolis Sculpture Garden.
